

### CERTIFICATE OF APPROVAL

Facility Code: <b>(SAM)</b>  <b>SATAIR USA, Inc.</b> 11255 NW 106 <sup>th</sup> Street, Suite 6 Miami, FL 33178	<b>Issue Date: 2 AUGUST 2018</b>	
	<b>Quality Approval:</b>	<b>Engineering Approval:</b>
		

The facility listed above has submitted preproduction samples for evaluation per QAP-7.2J21. These samples were appraised and found to comply with all applicable Engineering and Quality Requirements. Approval is hereby granted, in accordance with QAP 7.2J21, to fabricate and supply the products listed below, including marking of applicable FAA approval data, until further notice.

Furthermore, the facility has demonstrated the ability to conduct all test and inspections necessary to ensure the safe operation of the products and is granted authority to directly ship the products to the customer.

Products that are produced under Aeroquip's delegated FAA production and marking authority must include the following declaration on the shipping ticket:

"This material was produced and is direct shipped under delegated terms of Aeroquip's FAA production approval number \_\_\_\_\_." (PQ2084CE for PMA, PT2084CE for TSOA).
