SPARE PARTS CATALOGUE 2018

TABLE OF CONTENTS

✓ TERMS AND CONDITIONS OF SALE Page 3

✓ PRICE LIST Page 14

GENERAL TERMS & CONDITIONS

1. DEFINITIONS

The following definitions shall apply to the capitalized terms in these terms and conditions of sale:

- AOG** Means Aircraft On Ground.
AOG applies to spare parts or assemblies that are (i) required for the dispatch of an aircraft and (ii) that are not available for the next revenue flight of the PURCHASER. If these conditions are fulfilled, Satair shall provide the spare parts or assemblies to the forwarder designated by the PURCHASER within four (4) hours of receipt of notification of an AOG.
- IATA** Means the Air Transport Association.
- CSDD** Means ATA Common Support Data Dictionary.
- END ITEM** Means the NACELLE major part as follows: thrust reverser, air inlet, exhaust, fan cowl doors, engine mounts and Engine Build Up (EBU).
- FCA** Means FREE CARRIER (named place) as per I.C.C. INCOTERMS 2010.
- GSE or Ground Support Equipment**
Means all the equipment required on the ground to test and/or to support the operation and maintenance activities related to the NACELLE as listed in SPARE PARTs catalogue price list.
- GTC** Means the General Terms and Conditions herein set out.
- ITEM** Means any level of hardware (e.g., system, subsystem, module, accessory, component, unit, part, LRU etc.) (CSDD).
- LRU or LINE REPLACEABLE UNIT**
Means a NACELLE component that can be readily changed at any time on an aircraft or propulsion system during line maintenance.
- NACELLE** Means the assembly of END ITEMS.
- OEM (Original Equipment Manufacturer)**
Means the original designer and manufacturer of equipment.
- ORDER** Means a formal request issued either in document or electronic form by PURCHASER to Satair for purpose of buying SPARE PARTs and/or GSE from Satair.
- PURCHASER**
Means any entity operating an aircraft on which is incorporated the NACELLE and which has issued an ORDER accepted by Satair.
- SAFRAN NACELLES**
Means Safran Nacelles a simplified joint stock company organized and existing under the laws of France (Reg. No.: 352 050 512, RCS Le Havre) with its registered office at Route du Pont VIII, BP 91 – 76700 Gonfreville l'Orcher – France.
- SATAIR** Means Satair A/S or such other entity in the Satair Group of companies from which Satair A/S in its sole discretion decides to act with respect to any sale or other service of whatever nature where these Terms and Conditions of Sale – SPARE PARTs CATALOGUE shall apply.
- SERVICEABLE ITEM**
Means an ITEM which fulfills the operational purpose for which it was initially designed and certified in accordance with relevant SAFRAN NACELLES or OEM instructions and specifications as per Component Maintenance Manual (CMM) and relevant requirements of Airworthiness Authorities.
- SPARE PART**
Means a replacement SERVICEABLE ITEM required for maintenance, overhaul, retrofit installation or repair of the NACELLE listed in the SPARE PARTs CATALOGUE.

GENERAL TERMS & CONDITIONS

SPARE PARTs CATALOGUE

Means SAFRAN NACELLES annual SPARE PARTs catalogue including these terms and conditions of sale and the SPARE PARTs catalogue price list.

SSC Means the Supplier Support Conditions (Reference: PVN/CT1240399/SSC/2012) signed on June 29th 2012 between SAFRAN NACELLES and Airbus under which SAFRAN NACELLES shall provide Airbus and the A340-500/-600 Purchaser with product support services.

WARRANTY

Means the warranties as set out in Article 6.2 hereinafter.

WARRANTY PERIOD

Means the warranty period as set out in Article 6.2 hereinafter.

Other capitalized terms used herein, not otherwise defined in these terms and conditions of sale shall have the same meaning as defined in the ATA Common Support Data Dictionary (CSDD).

2. SCOPE

These terms and conditions of sales define the terms and conditions under which PURCHASER may place ORDERS for the purchase of SPARE PARTs and/or GSE, unless otherwise agreed in writing by Satair and PURCHASER in a specific contract.

Both, Satair and PURCHASER will be also hereinafter referred to individually as a "Party", or collectively as the "Parties".

3. CONTRACTUAL DOCUMENTS

The relationship between Satair and PURCHASER (and where applicable as between Safran Nacelles and PURCHASER) is governed by the following contractual documents in order of precedence (the first mentioned documents prevailing over the later mentioned documents):

- The SSC
- The GTC
- The Order acknowledgment
- The Order

These terms and conditions of sales shall prevail over any purchase conditions of PURCHASER notwithstanding any provision to the contrary therein.

Any ORDER issued by PURCHASER for the purchase of SPARE PARTs and/or GSE shall be governed by these terms and conditions of sale.

4. ADMINISTRATION - FINANCIAL CONDITIONS

4.1 ORDER ADMINISTRATION

4.1.1 ALL ORDERS

ORDERS can be placed with Satair via the following options:

- SPEC 2000
- The Satair Group portal: <http://www.satair.com/services-and-solutions/satair-direct-online>
- Your Satair Group representative handling your account by phone or e-mail.

PURCHASER shall provide Satair with all the necessary information in order to ensure deliveries.

GENERAL TERMS & CONDITIONS

4.1.2 ORDER TIMING

PURCHASER shall place ORDERS with the Catalogue Lead Time.

Nevertheless, in case of emergency ORDERS, Satair shall then advise PURCHASER of the action taken on emergency ORDERS (AOG, Critical and Expedite) as follows:

- **AOG** _____ within four (4) hours;
- **Critical** _____ within twenty-four (24) hours;
(Imminent AOG or work stoppage)
- **Expedite** _____ within five (5) days;
(Less than published or quoted lead time)

from the date of receipt by PURCHASER of the ORDER acknowledgement.

PURCHASER may also place AOG ORDERS to the Customer Order Desk available 24 hours a day, and 7 days a week.

Short cycle ORDERS (ORDERS on the current day and/or the next day for delivery) affect Satair delivery schedules and planned allocations to customers who purchase at normal lead time.

Short cycle ORDERS such as AOG and Critical shall be limited to line maintenance items and shall be used only in the event of actual AOG situation or work stoppage.

In addition, PURCHASER will be required to provide Satair with information, including but not limited to:

- Aircraft registration number,
- Work stoppage justification,
- Location where aircraft will be repaired,
- Next scheduled flight.

4.1.3 GENERAL TERMS FOR ORDER ADMINISTRATION

An ORDER or a request for quotation shall be deemed to be an offer by PURCHASER and a written acceptance of it by Satair shall create the sale contract between Satair and PURCHASER. Satair reserves the right to decline any ORDER submitted for Satair acceptance.

Any PURCHASER's specific requirements in terms of price, part number or lead-time shall be agreed by Satair before the acceptance by Satair of the ORDER.

SPARE PART delivered to PURCHASER may deviate from the SPARE PART ordered by PURCHASER. Such deviations correspond to the part configuration required to facilitate installation during re-assembly.

Any ORDER that Satair has not acknowledged in writing shall not be deemed received. ORDER will be deemed to be accepted by Satair upon receipt by PURCHASER of a Satair ORDER acceptance.

Satair ORDER acknowledgement shall contain PURCHASER ORDER number, part numbers, prices, quantities, delivery schedule and/or any other information required for the specific transaction.

SAFRAN NACELLES Cage Code is: **Safran Nacelles FR; Cage Code F3700**

Any ORDER shall be sent to the Customer Order Desk irrespectively of the source of manufacture.

4.2 PRICE QUOTATIONS AND PAYMENTS

4.2.1 PRICE CATALOGUE

The SPARE PARTs catalogue price list of the SPARE PARTs CATALOGUE will contain the following information:

- Safran Nacelles Part Number;
- Description;
- Unit price;
- Unit of measure;
- Estimated delivery lead time in calendar days;
- Minimum Order Quantity ("MOQ");
- Pack Quantity ("Pack Qty");

GENERAL TERMS & CONDITIONS

And where applicable:

- Manufacturer Part Number and Code.

The SPARE PARTS catalogue price list will comply with ATA Spec.100 technical data.

4.2.2 MINIMUM ORDER QUANTITY & PACK QUANTITY

Satair has a USD 50 minimum requirement for each purchase ORDER line item.

Shipping quantities, even for AOG ORDERS will be rounded up to a multiple of the indicated catalogue unit pack quantity.

4.2.3 QUOTATIONS FOR NON-CATALOGUED OR NON-QUOTED SPARE PARTS OR GSE

Upon PURCHASER written request, Satair shall provide a written quotation of price for non-catalogued or non-quoted SPARE PARTS and GSE. Satair shall acknowledge receipt in writing of requests for quotation.

Prices quoted shall be valid for thirty (30) calendar days from issuance unless otherwise stated in writing in the quotation. Satair reserves the right to adjust its prices for non-catalogued or non-quoted SPARE PARTS and GSE commensurate with, i.a. the rise or fall in purchase prices, manufacturing costs, taxes, duties, transport charges, wages and currency fluctuations occurring from the time of non-catalogue quotation until the time of ORDER acknowledgment.

4.3.4 PRICES CONDITIONS

All prices of the SPARE PARTS catalogue price list are FCA from nearest International airport to Satair's stock location where the SPARE PARTS and/or GSE is available.

For emergency ORDERS (AOG, Critical or Expedite), Satair reserves the right to apply an extra charge.

All prices of the SPARE PARTS catalogue price list are exclusive of any taxes or duties which could be levied in connection with the sale, delivery or use of the SPARE PARTS and/or GSE. All such taxes and duties are for the account of PURCHASER.

All prices of the SPARE PARTS catalogue price list are in United States Dollars (USD) and valid from March 21st 2018. In case of error and/or omissions in the SPARE PARTS catalogue price list, a revised SPARE PARTS price notice will be issued by Satair and such revised SPARE PARTS price notice shall apply from the date of revised notice issuance.

Satair shall charge the prices which are valid at the time of receipt of ORDER provided that SPARE PARTS and/or GSE are requested to be delivered within the lead time specified in the SPARE PARTS catalogue price list.

In the event that PURCHASER requests a delayed shipment schedule, Satair shall have the right to review and adjust the price accordingly.

When an ORDER requests SPARE PARTS and/or GSE to be delivered beyond the lead time specified in the SPARE PARTS catalogue price list, Satair shall charge the prices which are valid at the time of delivery.

4.2.5 PAYMENT TERMS

Payment shall be made in immediately available funds in the quoted currency.

In the absence of a written agreement to the contrary, the PURCHASER shall make payment in cash against any invoice from Satair within quoted and invoiced payment terms as stipulated on the respective invoice.

The PURCHASER must notify Satair within two (2) weeks from date of invoice if the PURCHASER disputes the invoice in question.

In the event that PURCHASER fails to effect payment within the due date for payment, interest at the rate of one and a half percent (1.5%) per month (or the maximum amount permitted by law, whichever is higher) on the outstanding balance may be charged, such interest being deemed to accrue on a day to day basis from the due date. Additionally, Satair may charge a fee for reminders for payment to the maximum amount permitted by law.

Satair shall be entitled to withhold or postpone delivery of any product or services until any and all outstanding invoices have been paid in full.

Satair may require full payment in advance or otherwise alter the terms of payment previously specified with respect to future ORDERS.

GENERAL TERMS & CONDITIONS

PURCHASER is not entitled to set off any claim against payment for the products to Satair and shall have no right to retention or non-payment as a result of any delay, complaint or alleged counterclaim against Satair.

A claim from PURCHASER shall not entitle the PURCHASER to suspend payment unless the claim has been accepted by Satair.

5. SHIPPING AND DELIVERY CONDITIONS

5.1 EXPORT LICENSE

Satair acceptance of ORDER is subject to the availability of any necessary export license and the provision of a certificate by PURCHASER to Satair stating the end user and country of ultimate destination to allow Satair to apply for an export license.

PURCHASER shall perform prompt and full assistance towards Satair to obtain any export license or authorization in respect hereof.

PURCHASER acknowledges that the SPARE PARTs, GSE and/or services may be subject to export control laws and regulations, and any supply or use of such SPARE PARTs, GSE and/or services contrary to such laws and regulations is prohibited.

PURCHASER shall indemnify and hold Satair harmless against any losses, damages, fees or monetary sanctions imposed as a result of PURCHASER's failure to comply with any applicable export control law or regulation, including but not limited to compliance regulations.

5.2 PACKAGING

SPARE PARTs and/or GSE will be packed in accordance with ATA 300, as required. Any additional packaging or packing cases required by PURCHASER shall be chargeable in addition to PURCHASER.

5.3 DELIVERY

All SPARE PARTs and/or GSE will be delivered FCA Satair from nearest International airport where the SPARE PARTs and/or GSE are located to PURCHASER or its designated freight forwarder agent's.

Upon request, Satair will provide PURCHASER with delivery status reports according to the above delivery conditions concerning SPARE PARTs and/or GSE ordered.

Notwithstanding what is provided in paragraph 5.4.1:

- (i) If the PURCHASER fails to accept delivery on the agreed date, any payment shall nevertheless be made, as if the SPARE PARTs and/or GSE in question had been delivered.
- (ii) If the SPARE PARTs and/or GSE have not been picked up on the agreed date, the PURCHASER is liable for all costs including, but not limited to, storage costs.

Satair shall be entitled to make partial deliveries and/or partial performance. In such case, PURCHASER shall be entitled to make partial payment.

Delays in delivery for causes other than those stated in Article 6.2 Excusable delays shall be subject to a credit provided to the PURCHASER by Satair of 0,5 % (one half per cent) of the list price of the Item or Component per each calendar day of delay limited to 30 % of the Item or Component list price. The PURCHASER may use such credit to purchase Items from Satair.

Satair shall be entitled to suspend or cancel agreed deliveries in the event that the PURCHASER exceeds the time of payment in relation to any agreement with Satair, suspends payment, goes bankrupt, enters into liquidation or, through other acts or omissions, gives justified cause for concern as to his liquidity.

Satair shall use reasonable efforts to comply with the agreed delivery schedule and obligations:

- 7 days for NO GO, GO IF, and shelf stock ITEMS;
- 45 days for other SPARE PARTs
- 120 days for proprietary tooling

GENERAL TERMS & CONDITIONS

5.4 INCOMING MATERIAL INSPECTION – RETURN OF SPARE PARTS AND GSE

5.4.1 INCOMING MATERIAL INSPECTION

It is the responsibility of PURCHASER to perform an incoming inspection of the SPARE PARTs and/or GSE.

PURCHASER shall advise Satair in writing of:

- a) All alleged shortages or over shipments within forty-eight (48) hours after delivery; and
- b) All discrepancies found on all SPARE PARTs and/or GSE subject to inspection by PURCHASER within ten (10) calendar days after delivery.

After the term indicated at point b), the SPARE PARTs and/or GSE shall be considered accepted by PURCHASER. Such inspection shall in no way waive PURCHASER's rights according to the provisions set forth in Article 6.2 'Warranty'.

PURCHASER shall not returned any over shipment or non-conform SPARE PARTs and/or GSE without the prior written consent of Satair.

5.4.2 RETURN OF SPARE PARTS AND GSE

SPARE PARTs returned to Satair at the request of PURCHASER for reasons other than warranty, over shipment or discrepancies, are subject to prior written approval of Satair and inspection upon receipt by Satair. Return of GSE is not covered for reasons other than warranty or discrepancies.

Such returned SPARE PARTs and/or GSE shall be new, unused, undamaged and must be accompanied by the original EASA Form 1 or Certificate of Conformity. Shelf life items for return and/or exchange are not accepted by Satair.

PURCHASER shall bear all costs, risks and expenses (transportation, custom duties, insurance, etc...) incurred by this return.

Where the return of the SPARE PARTs and/or GSE is agreed, a re-stocking fee will apply. Such re-stocking fee will be USD 500 or 100% of the purchased value of returned SPARE PARTs and/or GSE, whichever is greater.

In case of a deviation to the above returned conditions (such as but not limited to material used, damaged, incomplete or EASA form missing) notified during material receipt, Satair will reject material return approval for any subsequent PURCHASER request.

5.5 TRANSFER OF RISK AND TITLE

Risks to the SPARE PARTs and/or GSE shall pass onto PURCHASER from its delivery according to the applicable Incoterms.

Title to the SPARE PARTs and/or GSE shall pass onto PURCHASER upon receipt of full payment by Satair of amounts invoiced. Until title passes, PURCHASER shall hold the SPARE PARTs and/or GSE as bailee for Satair. Satair reserves all rights to the SPARE PARTs and/or GSE until full payment by PURCHASER.

PURCHASER undertakes to subscribe and maintain until the transfer of title or return to the SPARE PARTs and/or GSE, from a recognized insurance company, an insurance policy covering "all risks property damages" to the SPARE PARTs and/or GSE delivered. This insurance shall be sufficient to cover at all time the replacement value of the SPARE PARTs and/or GSE until full payment for such SPARE PARTs and/or GSE. Upon Satair' request, PURCHASER shall provide with the corresponding certificate issued by the insurance company which shall identify the type of insurance policy, the amount of coverage and the termination date.

6. GENERAL PROVISIONS

6.1 LIABILITY FOR DEFECTS

This Article 6.1 shall apply in case a defect is caused by Satair's activities (such as handling or improper storage).

In the event that Satair is liable for a defect according to this Article 6.1, Satair's liability under clause 6.1 is limited to one of the following actions, at Satair's sole discretion;

- (i) correction of the defect through repair to the extent necessary to return the SPARE PARTs or GSE to a serviceable condition,
- (ii) replacement with a SPARE PART or GSE in comparable condition to the original SPARE PART or GSE, or

GENERAL TERMS & CONDITIONS

- (iii) refund of an amount equal to that paid for the SPARE PART or GSE within a reasonable period of time.

Defects in SPARE PARTS or GSE supplied by Satair shall entitle PURCHASER to cancel the ORDER only for the defective part and the actions described above represent the maximum liability that can be incurred by Satair.

In any event, PURCHASER loses the right to make any claim in respect of defects if written notice thereof has not been provided to Satair within a period of six (6) months from the date of delivery.

6.2 WARRANTY

The warranty attached to SPARE PARTS and GSE shall be limited to the warranty set forth in Article 6.2.1 and 6.2.2 of these terms and conditions of sale.

Any warranty claims shall be addressed directly to SAFRAN NACELLES via eServices portal by the Purchaser. However, claims with respect to defects caused by Satair's activities as provided for in Article 6.1 shall be addressed directly to Satair.

Purchaser hereby waives, releases and renounces all other warranties, guarantees, representations, obligations and liabilities and acknowledges that Satair makes no warranty either expressly or implied and that Satair also makes no warranties of merchantability or any warranty of fitness for particular purpose, course of dealing, course of performance or usage of trade.

Purchaser waives and releases Satair from all warranties and any obligation or liability of Satair arising in tort or from strict liability.

Satair shall not be liable for any direct, incidental, consequential or special damages, including, but not limited to, loss of profit or revenue, or loss of use, incidental or consequential damages or other indirect losses.

6.2.1. SAFRAN NACELLES STANDARD WARRANTY AND CONTRACTUAL LIABILITY

6.2.2.1 SAFRAN NACELLES Standard Warranty

SAFRAN NACELLES warrants, during the WARRANTY PERIOD, that each SPARE PART and GSE will be:

- Free from defects in material and workmanship;
- Conform to the aircraft manufacturer's and/or SAFRAN NACELLES' applicable descriptions, specifications and drawings;
- Free from design defects having regard to the state-of-the-art at the time of the design;
- Suitable for the intended purposes and normal use as set forth in the relevant specifications.

The WARRANTY PERIOD ("Warranty Period") applicable is twelve (12) months from their delivery date according to the applicable Incoterms.

Provided that SAFRAN NACELLES receives a written notice from PURCHASER providing that such SPARE PARTS fails to comply with the warranty set forth in this Article 6.2 'Warranty', and that SAFRAN NACELLES receives such written notice within ninety (90) days of discovery of the non-conformity, SAFRAN NACELLES shall adjudicate within thirty (30) days period.

If the warranty claim is accepted then SAFRAN NACELLES shall, at its option:

- (i) correct the defect through repair to the extent necessary to return the SPARE PARTS or GSE to a serviceable condition,
- (ii) replace with a SPARE PART or GSE in comparable condition to the original SPARE PART or GSE, or
- (iii) refund the amount equal to the price paid for the SPARE PART or GSE within a reasonable period of time.

The present warranty replaces and excludes any other warranty or any other oral, written engagement, express or tacit, such as but not limited to any warranty of merchantability or fitness for a particular purpose or any warranty against infringement. The obligations of SAFRAN NACELLES and the rights of PURCHASER as regards defect of conformity, whatever can be the cause for it, only and are exclusively governed by the provisions of this clause of warranty. SAFRAN NACELLES will be released from any responsibility for any defect or damage which appears after the expiry of the WARRANTY PERIOD referred to above.

6.2.1.2 SAFRAN NACELLES Contractual Liability

GENERAL TERMS & CONDITIONS

SAFRAN NACELLES shall only be liable for any direct damages up to the amount paid for the specific SPARE PARTs or GSE that gives rise to the PURCHASER claim.

Under no circumstances shall SAFRAN NACELLES be liable to PURCHASER for any indirect, incidental, consequential or special damages, including, but not limited to, loss of profit or revenue, or loss of use, or other indirect losses.

6.2.2 WARRANTY EXCLUSIONS

The Standard Warranty is subject to operation and maintenance of the SPARE PARTS and GSE in accordance with the SAFRAN NACELLES' manuals and/or SAFRAN NACELLES' instructions and recommendations provided in response to technical inquiries. The Standard Warranty do not cover SPARE PARTs which were not purchased from SAFRAN NACELLES or any of its distributors. The Warranty shall not cover normal wear and tear.

The Standard Warranty shall not extend to:

- Misuse, negligence or accident;
- Missing parts replacement;
- Foreign Object Damage (FOD);
- Acts of God (i.e. lightning, bird strike, or similar force majeure events);
- Improper storage or Maintenance errors;
- Non incorporation of relevant corrective action proposed by SAFRAN NACELLES via Service Bulletin;
- Tampering;

Events resulting from personnel not following procedures and published maintenance documentation, or misuse/non-use of recommended tooling:

- Handling damage;
- Ground damage due to non-Aircraft equipment;
- Secondary damages and Engine related events.

PURCHASER is advised that use of replacement parts not officially authorized by the OEM may substantially impede the engineered product performance. Therefore, if such unauthorized parts are used, this warranty will be void and PURCHASER shall solely assume the full responsibility for any liability or performance degradation including affected authorized parts and assemblies, cost of operation and safety of operation of the entire engineering assembly resulting thereof.

SPARE PARTs and GSE shall not be regarded as containing a defect or failure merely because some modification or alteration thereof is required to be made by an airworthiness authority or by any manufacturer's service bulletin after delivery of the SPARE PARTs and GSE.

6.3 LIMITATION OF LIABILITY

Satair's general liability in connection with an ORDER for direct damages including property damage to PURCHASER product shall not exceed the amount paid for the specific SPARE PART, GSE or service that gives rise to the claim.

Under no circumstances shall Satair be liable to PURCHASER for any special, indirect, punitive or consequential damages whatsoever including without any limitation any loss of revenue or profit, any loss of use of property or right, any loss of clientele, any loss of goodwill or loss of reputation or loss resulting from business disruption, even if foreseeable including indirect losses suffered as a result of any failure, delay or partial or imperfect performance in connection with any communication or messages to Satair,

Satair shall not be held responsible for errors in e-commerce transactions due to breakdown in communication lines either at the Customer's end or at Satair's end.

Satair shall not be obliged to support PURCHASER in the event that Satair no longer holds distributor rights to the products in question excluding on parts already delivered by Satair. In such event, Satair accepts no liability or any request to pay compensation to PURCHASER.

GENERAL TERMS & CONDITIONS

6.4 PRODUCT LIABILITY

Satair shall be liable for personal injury and damage to consumer products only where it is established that such injury or damage was caused by a defective product delivered by Satair and that the defect was a result of errors or omissions attributable to Satair.

In all other cases, e.g. in case of property damage to non-consumer products, Satair shall not be liable unless it is established by the Purchaser that the damage was caused by a defective product delivered by Satair.

Notwithstanding the above, Satair's liability for personal injury and property damage, including damage to consumer products is irrespective of the legal basis for any such liability, shall, to the extent permitted by law, not exceed the amount paid for the specific SPARE PART or GSE delivered by Satair.

In no event and under no circumstances shall Satair be liable for consequential losses, operating loss, loss of time, loss of production, loss of profits, or other indirect losses.

To the extent that product liability towards a third party shall be imposed on Satair, the Purchaser shall hold Satair harmless and indemnified for any and all losses or costs and shall accept to be included as a party to any legal proceedings before any court or tribunal where the proceedings against Satair is brought by a third party.

In the event that a third party raises a claim for damages under this Article 6.4 against a party, the relevant party shall immediately notify the other party.

6.5 TRANSPORTATION CHARGES

PURCHASER will bear for all SPARE PARTs under warranty claim all transportation charges both ways. PURCHASER will act in order to minimize the transport costs. Should the SPARE PARTs be taken under warranty, then transport charges will be credited to the PURCHASER as part of the warranty claim. Credit will be given at the same time that claim is adjudicated.

6.6 EXCUSABLE DELAYS

Except for the payment obligations of PURCHASER as per Article 4.2.5 'Payment terms', either Party, PURCHASER or Satair shall not be liable for, nor be deemed to be in default because of any failure or delay in delivery or in the performance of any of its obligations under an ORDER which is caused by an irresistible, unforeseeable event beyond the reasonable control of the prevented Party ("Force Majeure Event") and are not caused by the fault or negligence of the other Party such as: (1) acts of God, natural disasters, fire, floods, strikes or other labor disputes, explosions or earthquakes, epidemics or quarantine restrictions, serious accidents, any acts of the Governments or Government-set priorities, war (whether declared or not), insurrection or riots, revolution, sabotage, or (2) inability beyond its control to obtain necessary and proper labor, materials, components, facilities, transportation, provided that the prevented Party shall promptly notify the other Party in writing of the Force Majeure Event and resume performance of its obligations immediately after cessation of the Force Majeure Event.

6.7 CONFIDENTIALITY

PURCHASER shall keep confidential and protect against any disclosure to third party, the document, information and data identified as confidential, received from SAFRAN NACELLES and/or Satair in relation to the ORDER (the "CONFIDENTIAL INFORMATION").

PURCHASER shall:

- (i) Hold in strict confidence the CONFIDENTIAL INFORMATION, and;
- (ii) Not disclose or place at the disposal of third parties the CONFIDENTIAL INFORMATION without the prior written approval of SAFRAN NACELLES and/or Satair, and;
- (iii) Ensure that its personnel comply with all such obligations contained in this Article 6.7 'Confidentiality'.

PURCHASER shall not reproduce or have reproduced the CONFIDENTIAL INFORMATION without the prior written approval of SAFRAN NACELLES and/or Satair. Upon SAFRAN NACELLES and/or Satair' request, PURCHASER shall promptly return the CONFIDENTIAL INFORMATION or take the necessary measures as indicated by SAFRAN NACELLES and/or Satair.

Notwithstanding the foregoing, Satair shall be entitled to share the CONFIDENTIAL INFORMATION with its ultimate parent company and any affiliates and subsidiaries directly or indirectly controlled by said ultimate parent company.

GENERAL TERMS & CONDITIONS

The confidentiality obligations contained herein shall continue during a ten (10) year period following the expiration or termination of the ORDER.

6.8 INTELLECTUAL PROPERTY RIGHTS

All intellectual property rights in the SPARE PARTs and the GSE supplied by Satair under an ORDER (including without limitation any patents, design rights, technical documentation, specifications and copyrights) shall remain vested in SAFRAN NACELLES (or in the third party which is the owner thereof).

For sake of clarity, nothing in these Terms and Conditions of sale shall be construed as granting to PURCHASER any license on such intellectual property rights.

6.9 TERMINATION

An ORDER will be immediately terminated (without prejudice to any other right or remedy) in case of:

- PURCHASER fails to perform any of its obligation under these terms and conditions of sale and fails to remedy such failure within ten (10) days after receipt of a written notice from Satair specifying the facts constituting the default;
- Bankruptcy of PURCHASER, or the commencement of insolvency proceedings or the filing of a voluntary or involuntary petition in bankruptcy;
- PURCHASER makes an agreement with creditors compounding debts or enters into liquidation whether compulsory or voluntary other than for the purpose of amalgamation or reconstruction or become insolvent or suffers a receiver of the whole or part of its components to be appointed.

Any sums payable by PURCHASER to Satair under the terminated ORDER shall become immediately due and payable upon the termination date.

6.10 GOVERNING LAW AND DISPUTE

These terms and conditions of sale and subsequent ORDERS shall be governed by and shall be interpreted in accordance with the laws of France. The application of the Vienna Convention on the International Sale of Goods shall not apply to these terms and conditions of sale and any subsequent ORDERS.

All disputes between the Parties relating to the existence, validity, interpretation and performance on termination of these terms and conditions of sale and any subsequent ORDERS that the Parties cannot settle by mutual agreement will be finally settled by the competent courts of Paris (France).

6.11 ASSIGNMENT

Partial or total assignment of an ORDER to a third party is strictly prohibited, except with prior written consent of Satair.

6.12 LANGUAGE

All correspondence and documentation between PURCHASER and SAFRAN NACELLES and/or Satair will be in the English.

6.13 NEW PURCHASER TERMS

Satair reserves the right to approve or deny any credit applications at its absolute discretion.

New PURCHASER wishing to place ORDERS with Satair must provide either an irrevocable confirmed letter of credit or make advance payment for the amount of the initial ORDER at Satair's discretion.

GENERAL TERMS & CONDITIONS

6.15 ETHICS

Each Party declares that:

- It complies and will comply with any international and national anti-corruption laws or regulations (including the OECD Convention of 1997 and the United Nations Convention Against Corruption of 2003 (UNCAC)),
- It has not been subject to any civil or criminal sanctions, in France or abroad, for infringement of anti-corruption laws or regulations and that no investigation or proceedings which could lead to such sanctions have been brought against it,
- To the best of its knowledge, no executive or manager of its company has been subject to any civil or criminal sanctions, in France or abroad, for infringement of anti-corruption laws or regulations and that no investigation or proceedings which could lead to such sanctions have been brought against such persons.

Each Party warrants that it has not granted and shall not grant, directly or indirectly, any gift, present, payment, remuneration or benefit whatsoever (trip, etc.) to anyone with a view to or in exchange for the conclusion of an ORDER or a contract.
