TOOL LEASE CAPABILITY LIST

Satair provides you with the access to a wide range of Tools and Toolkits on lease basis, always with the latest technical standard and ready for immediate use.

Today Satair offers you more than 5300 different tool part number with a total stock of more than 27.000 items. We are permanently expanding our portfolio based on the new Programs, AMMs, SRMs, SBs as well as all other specific and non-specific repair and maintenance tasks.

Below you will find our latest list of Proprietary Tool and Toolkits as well as Vendor and Vendor Toolkits that we offer on a lease basis.

If there is any specific task or tool which you would like us to add to our program, please contact us and we will look at the possibility of expanding our lease stock for you.

Please contact us for a lease quote and availability check, before placing an order under tool.lease@airbus.com or for our American customers under tools.americas@airbus.com
