20. ASSIGNMENT

20.1 The Customer shall not assign any of its rights and/or obligations under these GTC (including the right to receive delivery) without the prior written consent of Satair. However, Satair shall be entitled to assign or transfer all or part of any order to any Affiliate, without further formalities and without remaining liability as from the assignment or transfer date.

21. SEVERABILITY

21.1 Any provision of the GTC that is prohibited by or unlawful or unenforceable under any applicable mandatory law actually applied by any court of competent jurisdiction shall, to the extent required by such law, be severed from the GTC and rendered ineffective so far as is possible without modifying the remaining provisions. The Parties

agree to replace, so far as practicable, any provision which is prohibited, unlawful or unenforceable with another provision having substantially the same effect (in its legal and commercial content) as the invalid provision, but which is not prohibited, unlawful or unenforceable. The invalidity in whole or in part of any provisions of the GTC shall not void or affect the validity of any other provision.

21.2 The GTC contains the entire agreement between the Parties and no side letter, attachment, amendment or variation shall be of any effect unless in writing and duly signed by both Parties.

22. NO WAIVER

22.1 The failure of either Party to enforce at any time any of the terms of the GTC or to require performance of the same by the other Party shall in no way be construed to be a present or future waiver of the relevant terms. Any waiver of rights shall only come into effect if made in writing and signed by duly authorized representatives of the Parties.

23. MISCELLANEOUS

23.1 Nothing in the GTC shall be interpreted or construed to create a partnership, agency, or joint venture between Satair and the Customer.

23.2 All captions, headings, or titles in the paragraphs or sections of the GTC are inserted for convenience of reference only and shall not constitute a part of the GTC nor act as a limitation of the scope of the particular paragraphs or sections to which they apply.

24. GOVERNING LAW AND RESOLUTION OF DISPUTES

24.1 Subject to Clause 24.2 below, the Parties to this GTC agree that any dispute or claim, or any suit, action or proceeding and/or settlement of any dispute, which may arise out of or in connection with this GTC or its formation or validity, shall be governed by and construed in accordance with the laws of Denmark, without regard to conflict of law principles that could result in the application of the laws of any other jurisdiction.

24.2 For Customers purchasing Products and Services from Satair USA, Inc., the Parties agree that the rights and obligations and the interpretation of this GTC shall be governed by and construed and interpreted exclusively in accordance with the laws of the State of New York (irrespective of the choice of laws principles thereof) as to all matters.

24.3 All disputes arising out of or in connection with this GTC, including any question regarding its existence, validity or termination shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce by three (3) arbitrators. Each Party shall nominate one (1) arbitrator and the two (2) arbitrators shall nominate the president in consultation with the Parties. The language of arbitration shall be English. The Expedited Procedure Provisions of the ICC Rules shall not apply.

24.4 The seat of arbitration shall be Copenhagen, Denmark. However, for Customers purchasing Products and Services from Satair USA, Inc., the Parties agree that the seat of arbitration shall be New York.

24.5 Either Party retains the right, consistent with this GTC, to apply to any court of competent jurisdiction for provisional, injunctive and/or conservatory relief, and any such request shall not be deemed incompatible with the agreement to arbitrate or a waiver of the right to arbitrate.

24.6 The existence and content of the arbitral proceedings and any ruling or award shall be kept confidential except: (i) to the extent that disclosure may be required of a Party to fulfil a legal duty, protect or pursue a legal right, or enforce or challenge an award in legal proceedings before a state court or other judicial authority; or (ii) with the written consent of all Parties.

24.7 The Customer and Satair hereby agree that the United Nations Convention on Contracts for the International Sale of Goods shall not apply to this transaction.
